

KITSAP PUBLIC
HEALTH DISTRICT

The Kitsap Public Health District
has received
national accreditation
from the
Public Health
Accreditation Board (PHAB).

PHAB sets standards by which the nation's governmental public health departments can continuously improve the quality of their services and performance. To receive accreditation, a health department must undergo a rigorous, multi-faceted, peer-reviewed assessment process to ensure it meets or exceeds a set of quality standards and measures.

We take pride in this accomplishment and look forward to serving you better.
