

# Kitsap County COVID-19 Test Providers

Updated  
9/17/20

*This list includes Kitsap health care providers that have submitted a COVID-19 test or reported to the Health District that COVID testing is available. People who need testing should first contact their regular health care provider. If you are a health care provider and you have questions about this list or would like to request a change, please call 360-728-2235 or email [pio@kitsapublichealth.org](mailto:pio@kitsapublichealth.org).*
