

Kitsap County Covid-19 Testing Providers **(Updated 11/01/2021)**

People who need testing should first contact their regular health care providers. The facilities in the list below have reported that they provide COVID-19 tests. Please call or visit their websites for more information on the type(s) they have available and any other questions you may have. If you are seeking a COVID-19 test for travel or employment, please confirm the type of test needed with your airline or employer. For more information on different COVID-19 test types please click [here](#). If you are a health care provider and you have questions about this list or would like to request a change, please email pio@kitsappublichealth.org. For questions regarding Kitsap Public Health Testing Sites please call 360-728-2235
