## Learning Opportunities

### Making a Plan: IFSP Considerations for Children who Are Deaf and Hard of Hearing

http://www.cdc.gov/ncbddd/hearingloss/freematerials/planforyourchild.pdf

This document is designed to guide conversations between you and your Individualized Family Service Plan (IFSP) team as you address the unique communication considerations for your child.

### Setting Language in Motion: Family Supports and Early Intervention for Babies Who are Deaf or Hard of Hearing

Seven Modules including overview, early ID, the ear & testing, Hearing aids, learning language through sign, cochlear implants, communication & language in the home, and family supports.

### SignIt ASL

Phone (435) 797-3584

https://infanthearing.org/signit

Free online curriculum for parents of children 36 months or younger who are deaf/hard of hearing.
Supporting Success for Kids with Hearing Loss

Divided into sections for parents and professionals, links go to information on parenting, descriptions and handouts about hearing loss, simulations of different levels of hearing loss, issues related to the learning environment, teaching responsibility for hearing aids, self-advocacy, social needs, and screening tools.

WA Department of Health Resource Notebook

Information about hearing, communication options and available resources, as well as stories from families. Available in English, Mandarin Chinese, Russian, Somali, and Spanish.

Spiral bound English copies available upon request via email to Marcie.rider@doh.wa.gov
