Please note:

- The Health District reserves the right to increase or decrease the fee/charge for vaccines, drugs, and medical supplies when vendors increase or decrease the cost of these items. The Health District also reserves the right to automatically adjust any fees herein based on the maximum allowable Medicaid reimbursement rate.
- KPHD will bill Medicaid for eligible services. We are not an enrolled Medicare Provider and cannot accept any Medicare clients. KPHD does not participate with most insurance companies, however, we will bill your private insurance as a courtesy. The patient will be responsible for any denials, copays, deductibles, etc. processed by their insurance plan.
- For travel immunizations, please contact your **local pharmacy** or private provider.
