Period of Performance: January 1, 2022 through June 30, 2022

Statement of Work Purpose: The purpose of this statement of work (SOW) is to specify how state funds for Foundational Public Health Services (FPHS) will be used for the period of performance. Per RCW 43.70.512, these funds are for the governmental public health system to deliver FPHS services statewide in the most effective, efficient and equitable manner possible with the funds available.

The FPHS Steering Committee with input from FPHS Subject Matter Expert (SME) Workgroups and the Tribal Technical Workgroup is the decision making body for FPHS. For SFY22, the Steering Committee is using an iterative approach to decision making. Determining investments for SFY22 (July 1, 2021 – June 30, 2022). This means that additional tasks and/or funds may be added to an LHJ’s FPHS SOW as these decisions are made.

These funds are to be used as directed and allocated by the FPHS Steering Committee. As the global COVID-19 pandemic and the public health response to it continues and begins to abate, these FPHS funds can be braided with and used to supplement other short-term pandemic response funding as needed for FPHS activities during this period of performance through 06/30/22. Responding to pandemics, epidemics and public health emergencies are foundational services of the governmental public health system.

Note:

The total SFY22 funding allocation is for the period of July 1, 2021 through June 30, 2022. The funding allocations will be divided into two six-month lump sum amounts that will be disbursed at the beginning of each six month period as follows: July 1, 2021; January 1, 2022. The July payment will be disbursed upon completion of the FPHS Annual Report.

The SFY22 July 1, 2021 disbursement of funds was completed in the 2018-2021 consolidated contract and is included in this statement of work for informational purposes only.

FPHS funds must be spent in the state fiscal year (SFY) in which they are appropriated by the legislature, allocated, and disbursed. Legislative appropriations lapse at the end of each state fiscal year. (RCW 43.88.140)

Spending and spending projections must be reported as required by the FPHS Steering Committee. Funds that are projected to be unspent by the close of the state fiscal year must be reallocated per the process developed by the FPHS Steering Committee to assure that all funds appropriated by the legislature can be spent by the governmental public health system to deliver FPHS within the year that the funds are appropriated. Unspent funds revert to the state treasury and must be returned to DOH by July 15th of each year for return to the Office of Financial Management.

Revision Purpose: Changing Period of Performance end date to June 30, 2022 to reflect this work and funding associated to SFY22. Also removing the funds associated with FPHS-LHJ-PROVISO (YR2) as it's now reflected in the Statement of Work effective July 1, 2022.

The Subrecipient must meet the required set of acceptable deliverables/outcomes and adhere to contractual obligations. The contract's acceptable deliverables/outcomes along with specified due dates will be determined by the DOH SNAP-Ed program and provided to the Subrecipient in writing. Based on contract performance (as documented in progress reviews, progress reports, project monitoring reports, and fiscal monitoring reports) and after implementation of other specific conditions as appropriate listed in CFR § 200.207 - Specific conditions (see <https://www.govregs.com/regulations/2/200.207>), DOH reserves the right to withhold up to 10% of funds from the next applicable payment to the Subrecipient for deliverables/outcomes that are documented as consistently incomplete; continually late (without approved extension by DOH in writing); found to be unacceptable or unsatisfactory according to the standards of acceptable deliverables/outcomes outlined in the Statement of Work; or, not carried out sufficiently or consistently and documented as such. The subsequent monthly withholdings (of up to 5% per month) will be reimbursed to the Subrecipient upon satisfactory completion of the corrective action. The Subrecipient may request reconsideration by submitting a letter to Washington Department of Health SNAP-Education, PO Box 47886, Olympia, WA 98504-7886, or in writing via email to snap-ed@doh.wa.gov.

All invoices must be approved by DOH prior to payment; approval will not be unreasonably withheld. DOH will authorize payment only upon satisfactory and on-time completion of acceptance deliverables/outcomes and for allowable costs as outlined in the SNAP-Ed federal guidance, statement of work, state plan, and/or budget. DOH will return all incorrect or incomplete invoices and will not pay for services that occur outside the period of performance or that are deemed unallowable costs.

Additional Details Regarding Deliverables

Required deliverables for SNAP-Ed reporting will depend on approved SNAP-Ed plan activities for each Subrecipient, e.g., if direct education is not an approved plan activity for a Subrecipient, submission of pre/post surveys is not a required deliverable for that Subrecipient. To attend required trainings during fiscal year, the Subrecipient must use the travel funds within their current allotted budget to send the minimum number of one (1) staff person to the required training. The Subrecipient may request additional travel funds from DOH for required training(s) if necessary and if funds are available.

Monitoring Expectations

The Subrecipient's premises and records will be made available upon request to DOH, DSHS, and USDA staff for the purposes of observing project activities and reviewing for project and fiscal compliance. All non-capital equipment, capital equipment, reusable educational materials and supplies, and any non-disposable items purchased using SNAP-Ed

funds should be tracked in an inventory list and available for review upon request. Based on fiscal and project monitoring results or findings, additional monitoring during the fiscal year may be required at the discretion of the DOH SNAP-Ed program, DOH fiscal analyst, or DOH fiscal monitoring unit. Completed project and fiscal monitoring reports with suggestions, observations, comments, feedback, findings, and/or corrective action will be kept on file at DOH and shared with Subrecipients regularly and by request.

Staff Requirements

Upon request by DOH, the Subrecipient must demonstrate that SNAP-Ed staff meet requirements appropriate to their positions including but not limited to background checks, food handlers' permits, qualifications, and training required by DOH.

Project Coordinator Requirements

- Ensure all contract deliverables are met.
- Coordinate the planning, implementation, evaluation, and reporting of all parts of the approved project plan.
- Comply with and remain knowledgeable about all WA SNAP-Ed and DOH SNAP-Ed policies and procedures.
- Comply with and remain knowledgeable about the National SNAP-Ed Guidance.

- Monitor or maintain knowledge of project budget status, including estimated spend out and total dollars spent to date.
- Submit plan and budget amendments for approval as outlined in the current year's policy and procedures.
- Coordinate the on-time completion of all data entry and reporting.
- Ensure photo and media release forms are obtained for persons featured in SNAP-Ed programming photographs or videos.

Communication Requirements

The Subrecipient must maintain communication with DOH SNAP-Ed. Communication required between DOH SNAP-Ed and the Subrecipient will not be unreasonable or excessive. DOH SNAP-Ed expectations for communication include:

- Submit updates to DOH following any change in contact information for the project coordinator, fiscal agent, contract signatory, or any SNAP-Ed funded staff within 10 business days of the change.
- Be available for regular and intermittent meetings, both in person and phone, with DOH SNAP-Ed as agreed upon or as needed.
- Respond to all DOH and SNAP-Ed Statewide initiative requests within the timeline requested.
- Maintain or obtain an internet connection for communication with DOH, for access to DOH SharePoint webpages, to view updates and messages from Washington SNAP-Ed through the WA SNAP-Ed Providers website, and for reliable reporting of SNAP-Ed activities. If reliable internet connection cannot be secured, the Subrecipient and DOH SNAP-Ed will agree on a plan for necessary communication, data entry, and reporting.
- Obtain a Secure Access Washington (SAW) account to access DOH SNAP-Ed SharePoint webpages.

SNAP-Ed Assurances:

The following assurances must be followed (see program Guidance <https://snaped.fns.usda.gov/program-administration/guidance-and-templates>)

- The Subrecipient is fiscally responsible for activities funded with Supplemental Nutrition Assistance Program Education funds and is liable for repayment of unallowable costs.
- Programming is provided to approved SNAP-Ed eligible audiences.
- Only expanded or additional coverage of those activities funded under the Expanded Food and Nutrition Education Program (EFNEP) may be claimed under the SNAP-Ed grant. Approved activities are those designed to expand the State's current EFNEP coverage in order to serve additional SNAP-Ed targeted individuals. In no case may activities funded under the EFNEP grant be included in the budget for SNAP-Ed.

- Contracts are procured through competitive bid procedures governed by State procurement regulations.
- Program activities are conducted in compliance with all applicable Federal laws, rules, and regulations including Civil Rights and OMB regulations governing cost issues.
- Program activities do not supplant existing nutrition education and obesity prevention programs, and where operating in conjunction with existing programs, enhance as well as supplement them. This applies to all activities and costs under the Federal budget.
- Program activities are reasonable and necessary to accomplish SNAP-Ed objectives and goals.
- All materials developed with SNAP- Ed funds include the appropriate USDA non-discrimination statement and credit SNAP as a funding source in standard font that is easily readable.

SNAP-Ed Statewide Initiatives

Subrecipients are expected to communicate with, respond to, and comply with requests, guidance, requirements, and/or on-site visits from all contracted SNAP-Ed statewide initiative entities.

Any SNAP-Ed curriculum modifications should be developed and executed based on the most current Guidance for Curriculum Modification, found under “[Guidance and Process](#)” on WA SNAP-Ed Providers website. Subrecipients must consult DOH SNAP-Ed as directed.

After notification to the DOH SNAP-Ed implementing agency, the Subrecipient may adjust or deny requests, requirements, and/or site visits from any contracted SNAP-Ed statewide initiative entities if said request, requirement, and/or site visit is deemed unreasonable, burdensome, unnecessarily costly, or inequitable after appropriate consideration and deliberation between the Subrecipient, DOH SNAP-Ed, and the contracted SNAP-Ed statewide initiative entity/entities; and, when necessary, DSHS. After appropriate consideration and deliberation, the resulting decision about whether or not the Subrecipient must comply or can adjust or deny a specific will be provided in writing to the Subrecipient from DOH SNAP-Ed and/or DSHS.

Health and Safety

Subrecipients are not required to work under conditions that could endanger their health, safety, or well-being. Additionally, Subrecipients should ensure they are not putting any SNAP-Ed audience or community members in situations that could endanger their health, safety, or well-being. Participation in SNAP-Ed by the SNAP-Ed audience is voluntary. If an activity is deemed unsafe, Subrecipients must adapt activities as needed to allowable and safe alternatives. For a given situation, all Subrecipients and SNAP-Ed activities should follow current health and safety laws, regulation and guidance from the designated authorities in the applicable city/town, county, state, and/or the related federal authority, e.g. CDC, USDA. If Subrecipient is unable to adapt activities as needed to safe, allowable alternatives within their allocation, funding for the current fiscal year may change after sufficient and acceptable technical assistance between Subrecipient and DOH SNAP-Ed and after prior written notification to the Subrecipient. Any change in annual funding due to inability to adapt project activities as needed to safe, allowable alternatives will not be a permanent change in annual funding, unless accompanied by actions outlined under the ‘Contract Noncompliance and Corrective Action’ section.

Audits

The Subrecipient must make State financial and program audits or reviews conducted by other entities available to the DOH, DSHS, USDA, or its designee.

Indirect Rate/Allocation Plan

All indirect rate/allocation plans must be submitted and preapproved by the DOH grants office and the DOH SNAP-Ed program. The Subrecipient is responsible for ensuring that indirect costs included in the Subrecipient’s SNAP-Ed plan and budget are supported by an indirect rate and/or cost allocation plan approved by the appropriate agency. The Subrecipient cannot bill indirect costs that are determined to be unacceptable and will be disallowed.

Annual Civil Rights Training Requirement (see USDA Instruction Number 113-1 Chapter XI <http://www.fns.usda.gov/sites/default/files/113-1.pdf> “Training is required so that people involved in all levels of administration of programs that receive Federal financial assistance understand civil rights related laws, regulations, procedures, and directives. Local agencies are responsible for training their sub recipients, including ‘frontline staff.’ ‘Frontline staff’ who interact with program applicants or participants, and those persons who supervise ‘frontline staff’ must be provided civil rights training an annual basis.”

Records Maintenance - Record Retention and Management - State Agency and All Subrecipients 7CFR 272.2

DOH SNAP-Ed regulations require that all records related to the SNAP-Ed program be retained for six (6) years from fiscal closure. This requirement applies to fiscal documentation and procurement records, contract related documents and emails, progress reports, monitoring reports, and SNAP-Ed client information (pre/post surveys, demographic cards, etc.). Supporting documentation may be kept at the Subrecipient level but shall be available for review within six years from the date of the last quarterly claim submittal. Any costs that cannot be substantiated by source documents will be disallowed as charges to SNAP-Ed.

Travel

The Subrecipient is expected to comply with the Office of Financial Management's Travel Management Requirement and Restrictions as found in policy 10.10 (<http://www.ofm.wa.gov/policy/10.htm>), with the travel requirements found in the current year's SNAP-Ed federal guidance, and with any travel related DOH SNAP-Ed policy and procedures. If the Subrecipient organization's travel related policy and procedures are in conflict with any of the aforementioned travel related federal or state policies and procedures, the Subrecipient organization will follow the stricter of the travel related policy and procedures unless otherwise approved and allowable by DOH or higher authority.

Amendments

Subrecipients should check the current year's federal SNAP-Ed guidance, the current year's DOH SNAP-Ed budget amendment guidance, and/or with a DOH SNAP-Ed program consultant to know what changes they can make on their own and what changes require an amendment and pre-approval in writing. Notify DOH staff prior to implementing amendments that significantly change the scope or direction of the approved project plan, including creating new or completely ending interventions, or adding different recruitment or delivery sites for reaching SNAP eligible population. Following the current year's guidance when required, subrecipients must submit a written plan amendment or written budget amendment request to DOH, and receive written approval from DOH, prior to making any changes within their project or budget and prior to making any purchases included within the amendment. Any requests needing USDA approval must be submitted to DOH no later than April 1st of each fiscal year, or no later than date specified by USDA, DSHS, or DOH. Following the current year's guidance when required, if Subrecipients submit plan or budget no cost amendments that do not require DSHS or USDA approval, DOH can review those and make approvals on a case by case basis during the federal fiscal year following the current year's guidance when required. All cost amendments that do not require DSHS or USDA approval should be submitted to DOH no later than July 16th of each fiscal year.

Overtime

Staff overtime is not billable in the DOH SNAP-Ed program unless it has been reviewed by the DOH SNAP-Ed program in advance and approved in writing.

Special Funding Requirements

Payment for deliverables as specified herein is dependent on receipt of funding from the USDA funding sources. In the event funding is not received, DOH is under no obligation to make payments for the deliverables as specified. If funding is reduced or limited in any way after the effective date of this contract and prior to normal completion, DOH may terminate task(s), remove funds, or reallocate funds at DOH's discretion under new funding limitations and conditions. DOH will make payments only upon the receipt of the funding. DOH will notify the Subrecipient within 10 working days upon notice by the funding source of funding availability.

Special Billing Requirements

1. All invoices, billing, and reimbursements must be in compliance with all applicable Federal laws, rules, regulations including the current year SNAP-Ed Guidance and OMB circulars governing cost issues.

 - Bills must be for only SNAP-Ed specific activities, using a DOH A19-1A Invoice voucher.
 - A SNAP-Ed specific A19-1A must be submitted to the subrecipient's designated DOH SNAP-Ed staff member within 30 days of the last day of the month for which the work is being billed, OR
 - A Subrecipient may request pre-approval to bill every 2 months instead, in which case, that Subrecipient is required to adhere to the billing due dates provided by DOH.
3. The SNAP-Ed program will deny payment for any costs not submitted by the due date without prior approval. If for ANY reason a Subrecipient is unable to submit the SNAP-Ed A-19-1A on the due date, the Subrecipient is required to submit a request for an exception to the DOH no later than 7 days prior to due date to the DOH SNAP-Ed program. The SNAP-Ed program reserves the right and responsibility to either approve or deny the request for an exception and will reply to the request.

- 4. Supporting documentation for each month must be submitted with each SNAP-Ed A19-1A.
 - At the very least this means a copy of a Subrecipient’s financial expanded/detailed general ledger level report.
 - Additionally, all receipts, timecards and other supporting documentation, as noted by USDA, must be available upon request.

- 5. If a Subrecipient meets one of the criteria below, they will need to submit all SNAP-Ed backup documentation with each bill and this requirement will continue until further notice by DOH.
