<i>Activity</i>	
Planning	Participate in statewide commercial tobacco prevention coalition meetings as established.
Implementation	<p><i>2021-2022 DOH Regional Requirements:</i></p> <ol style="list-style-type: none"> 1. In collaboration with priority population contractors, engage and educate internal and external decision makers, stakeholders, and community leaders about: <ol style="list-style-type: none"> a. The value of local control in preventing initiation and continued use of commercial tobacco products that lead to tobacco-related health issues and health disparities. b. The value of a comprehensive tobacco prevention program to prevent the initiation of commercial tobacco product use among youth and young adults. c. Evidence-based and promising policy options to address the appeal of commercial tobacco products to youth and young adults, including the impact of commercial tobacco product flavors (including menthol) on youth initiation and use. 2. Build or enhance partnerships with youth-serving organizations and local champions (including identifying youth champions) to collaborate on youth access and industry marketing interventions. 3. Plan and conduct a minimum of one meeting with the prevention-intervention lead at your region’s Educational Service District to establish a connection, build relationships, and share resources. 4. Promote the Washington State Quitline and self-help options for TUDT (Tobacco Use, Dependence, Treatment), including 2Morrow Health app (doh.wa.gov/quit) and This is Quitting (doh.wa.gov/vapefreewa), to people who use commercial tobacco. 5. In collaboration with CTPP, incorporate 2022-2022 Centers for Disease Control and Prevention (CDC) (e.g., Tips® campaign) materials into agency communications, and report efforts in a template provided by the CTPP as part of the monthly reporting requirement. 6. Disseminate TUDT resources provided by CTPP and/or developed locally to community-based organizations, centers, and networks supporting disparately affected communities that address emerging tobacco/e-

	<p>cigarettes and are culturally & linguistically appropriate, trauma-informed, & equity-based.</p> <ol style="list-style-type: none"> 7. Respond to technical assistance requests and needs from local agencies and organizations interested in adopting and/or that have adopted voluntary smoke-free and vape-free campus and/or organizational policies; technical assistance requests to colleges/universities on the adoption and implementation of tobacco- and vape-free campuses; and to technical assistance to multi-unit housing organizations, landlords, and residents on smoke- and/or vape-free policies. 8. Plan and implement public relations/earned media efforts (i.e. press releases, social media) utilizing national media campaigns to prevent youth initiation and support cessation. <p>Specific Jefferson County activities are described in the 2021-2022 CTPP workplan. Workplans are subject to change. Any changes will be approved by both parties.</p>
Monitoring and Reporting	<p>Monitor progress for each activity as appropriate; submit monthly narrative and data reports as requested by KPHD on the 5th of every month.</p>
Midterm Evaluation	<p>By February 1, 2022 report progress to CTPP Regional Coordinator. If needed, adjust activities to ensure spend down. Conduct a mid-year workplan reevaluation.</p>
Calls/Meetings	<p>Participate in monthly conference call with KPHD and attend webinars as scheduled; respond to correspondences related to CTPP from the Department of Health; respond to activity assessments/surveys administered by KPHD as appropriate per scope of work.</p>
Invoicing	<p>Submit monthly invoices by the 20th of the month following the month in which costs were incurred, except for the Final Expenditure Report and Request for Reimbursement in each federal fiscal year (due July 1, 2022). Invoices must include supporting documentation such as timecards for staff time and copies of invoices paid for goods and services.</p>
