The purpose of this AGREEMENT is to facilitate the operation of a statewide Random Moment Time Survey (RMTS) that complies with the requirements of the LHJs’ Cost Allocation Plan approved by the Centers for Medicare and Medicaid Services (CMS), and the MAC contract between HCA and each participating LHJ. The Agreement will also assist in oversight activities of the Health Care Authority (HCA) working with the LHJ MAC Steering Committee to provide coordination and program compliance among participating LHJs.

ARTICLE II

Each consortium composed of more
than one LHJ will identify a member LHJ to act as the Lead Agency for the consortium and serve on the statewide LHJ Steering Committee. Each LHJ that is the sole entity in a consortium, such as Public Health – Seattle & King County, will identify a single person to represent it on the Steering Committee.

Proportional Share: The percentage paid by each LHJ to WSALPHO for the costs of the WSALPHO Contractor and WSALPHO’s administrative fee is based on the proportional share of the total federal reimbursement paid to all LHJs for MAC activities for the most recent four quarters for which there is complete data.

Protected Health Information: Shall have the same meaning as those terms in the HIPAA Rules.

Random Moment Time Study: A web-based system operated by WSALPHO’s Contractor that captures the activities that can be reimbursed under Medicaid Administrative Claiming via a CMS-approved time survey methodology.

• The LHJ MAC Coordinator or designee will attend WSALPHO-sponsored trainings as scheduled.
• The LHJ fiscal coordinator will attend WSALPHO-sponsored fiscal trainings as scheduled.
• The LHJ MAC coordinator will participate in regularly-scheduled Coordinator conference calls convened by WSALPHO.
ARTICLE V
RESPONSIBILITIES OF WSALPHO

WSALPHO will:
- Procure a contractor to operate an RMTS and claiming system that complies with the most current federally-approved Cost Allocation Plan.
- Provide assurance that this AGREEMENT, once executed by the parties, is and remains a Public Record subject to the provision of Ch. 42.56 RCW, the Public Records Act.
- In conjunction with LHJ Steering Committee, will provide coordination and leadership of the LHJ MAC program in Washington State to ensure quality assurance and consistency state-wide.

ARTICLE VI
RESPONSIBILITIES OF MAC CONTRACTOR

The MAC Contractor will operate a MAC RMTS and claiming system for participating LHJs in Washington State in accordance with a federally-approved cost allocation plan. The MAC contractor will also provide consultation and technical assistance, as directed by the Steering Committee.

The MAC Contractor will submit a proposed work plan that includes proposed tasks, staffing, timeline, and associated costs to WSALPHO no later than November 15 of the preceding year for review and approval by WSALPHO and the LHJ MAC Steering Committee, which will be incorporated annually as an amendment to this AGREEMENT.

ARTICLE VII
INVOICE AND PAYMENT

The Contractor submits a quarterly invoice of actual costs to WSALPHO no later than 60 days following the end of a calendar quarter to the designee of the LHJ Steering Committee who will review calculations and approve proposed work for payment. Following approval for payment, WSALPHO will invoice Public Health Seattle King County and Tacoma Pierce County Health Department quarterly with the remaining participating LHJs invoiced their proportional share semi-annually in January and August (for the prior six months). The invoice will link billed tasks to the annual work plan. The budgeted annual costs for Contractor’s services, WSALPHO’s administrative fee, and the LHJ’s proportionate share are incorporated by reference as Contractor Costs and LHJ Proportional Share for calendar years 2017 and 2018 (Attachment A).

WSALPHO receives a five percent fee based on the Contractor’s budget to administer the MAC program and coordinate the work of the LHJ MAC Steering Committee. WSALPHO will reconcile this fee to the Contractor’s actual cost and credit each LHJ its proportional share of any overpayment. This adjustment will be applied to the LHJ’s succeeding year invoice.
ARTICLE VIII
PROTECTED HEALTH INFORMATION

WSALPHO acknowledges that some of the material and information that may come into the possession or knowledge of its Contractor in connection with this AGREEMENT or its performance may consist of Protected Health Information provided by participating LHJs.
