This represents an exception to requirements for full and open competition. 23. **Suspension of Performance and Resumption of Performance:** In the event contract funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to normal completion, the District may give notice to Subcontractor to suspend performance as an alternative to termination. The District may elect to give written notice to Subcontractor to suspend performance when the District determines that there is a reasonable likelihood that the funding insufficiency may be resolved in a timeframe that would allow performance to be resumed prior to the end date of this Agreement. Notice may occur by facsimile or email to Subcontractor's representative. Subcontractor shall suspend performance on the date stated in the written notice to suspend. During the period of suspension of performance, each party may inform the other of any conditions that may reasonably affect the potential for resumption of performance.

When the District determines that the funding insufficiency is resolved, the District may give Subcontractor written notice to resume performance and a proposed date to resume performance. Upon receipt of written notice to resume performance, Subcontractor will give written notice to the District as to whether it can resume performance, and if so, the date upon which it agrees to resume performance. If Subcontractor gives notice to the District that it cannot resume performance, the parties agree that the Agreement will be terminated retroactive to the original date of termination. If the date Subcontractor gives notice it can resume performance is not acceptable to the District, the parties agree to discuss an alternative acceptable date. If an alternative date is not acceptable to the District, the parties agree that the Agreement will be terminated retroactive to the original date of termination.

24. **Non-Discrimination:** Subcontractor shall not discriminate against any employee or applicant for employment because of race, color, sex, religion, national origin, creed, marital status, age, Vietnam era or disabled veteran status, sexual preference, or the presence of any sensory mental or physical handicap.

KPHD 2178
Page 10 of 22

25. **Waiver**: A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement unless stated to be such in writing, signed by an authorized representative of the party and attached to the original Agreement.
26. **Assignment**: The work to be provided under this Agreement and any claim arising thereunder, is not assignable or delegable by either party in whole or in part without the express prior written consent of the District, which consent shall not be unreasonably withheld.
27. **Changes in Work**: In the event of any errors or omissions by Subcontractor in the performance of any work required under the Agreement, Subcontractor will make all necessary corrections without additional compensation. All work submitted by Subcontractor will be certified by Subcontractor and checked by Subcontractor for errors and omissions. Subcontractor will continue to be responsible for the accuracy of work even after the work is accepted by the District.
28. **Amendment**: This Agreement may be modified only by a written amendment executed by authorized representatives of both parties.
29. **Termination**: This Agreement may be terminated by either party upon giving at least thirty (30) days advance written notice to the other party. If this Agreement is so terminated, the parties shall be liable only for performance rendered or costs incurred in accordance with the terms of this Agreement prior to the effective date of termination.
 - A. **For Convenience**: Either party may terminate the Agreement, in whole or in part, at any time, by at least thirty (30) days written notice to the other. Subcontractor shall be paid for work performed and expenses incurred to the date of termination.
 - B. **For Funding**: If funding for the Agreement or matter is withdrawn, reduced or limited in any way after the Agreement is signed or becomes effective, the Parties may summarily terminate the Agreement notwithstanding any other termination provision in the Agreement. Termination under this provision will be effective upon the date specified in the written notice of termination. No costs incurred after the effective date of the termination will be paid.
 - C. **For Cause**: If either party fails to perform in the manner called for in the Agreement, or if either party fails to comply with any other provision of the Agreement and fails to correct such noncompliance with thirty (30) days written notice thereof, the aggrieved party may terminate the Agreement for cause. Termination shall be affected by serving a notice of termination on the party setting forth the manner in which the party is in default. Subcontractor shall be paid for services performed in accordance with the manner of performance set forth in this Agreement.

KPHD 2178

Page 11 of 22

D. For Default: Either party may terminate the Agreement upon giving written notice to the other party in the event the other party is in breach of a material provision of this agreement and shall have failed to cure such breach within thirty (30) days.

In the event of termination, Subcontractor shall settle all outstanding liabilities and all claims arising out of such termination of orders, with the approval or ratification of the District to the extent the District may require, which approval or ratification shall be final for all the purposes of this clause.

30. **Governance:** This agreement is entered into pursuant to and under the authority granted by the laws of the State of Washington and applicable federal laws. The provisions of this Agreement shall be construed to conform to those laws.
31. **Dispute Resolution:** In the event that a dispute or conflict arises under the Agreement that the Parties are unable to resolve with good faith efforts, they shall allow the dispute to be decided by a Dispute Panel in the following manner: a Mediator shall be mutually appointed by both parties, and each party shall appoint an additional member to the Dispute Panel. The Dispute Panel shall review the facts, contract terms and applicable statutes and rules and make a determination of the dispute. The determination of the Dispute Panel shall be final and binding on the Parties hereto. The Parties shall equally share the costs, if any, for the services of the Dispute Panel.
32. **Severability:** If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Agreement, and to this end the provisions of this Agreement are declared to be severable.
33. **Choice of Law:** The Agreement has been and shall be construed as having been made and delivered within the State of Washington and it is agreed by each party hereto that the Agreement shall be governed by the laws of the State of Washington, both as to its interpretation and performance. Any action at law, suit in equity, or judicial proceeding arising out of the Agreement shall be instituted and maintained only in any of the courts of competent jurisdiction in Kitsap County, Washington.
34. **No Waiver:** The Parties agree that the excuse or forgiveness of performance, or waiver of any provisions of the Agreement, does not constitute a waiver of such provision or future performance, or prejudice the right of the waiving party to enforce any of the provisions of the Agreement at a later time.
35. **Survival:** Those provisions of the Agreement that by their sense and purpose should survive expiration or termination of the Agreement shall so survive. Those provisions include, but are not necessarily limited to, the following: Indemnification, Termination, Disputes, Confidentiality, Choice of Law, No Waiver, Records Inspection and Retention, and Severability.

KPHD 2178
Page 12 of 22

36. **Subcontracting:** Subcontractor shall not enter into subcontracts for any of the work contemplated under this Agreement without prior written approval of the District. In no event shall the existence of the subcontract operate to release or reduce the liability of Subcontractor to the Department for any breach in the performance of the Subcontractor's duties. This clause does not include contracts of employment between the Subcontractor and personnel assigned to work under this Agreement.

Additionally, Subcontractor is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this Agreement are carried forward to any subcontracts. Subcontractor agrees not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the District or as provided by law.

If at any time during the progress of the work, the District determines in its sole judgment that any contractor is incompetent, the District shall notify Subcontractor, and Subcontractor shall take immediate steps to terminate its subcontractor's involvement in the work. The rejection or approval by the District of any subcontractor or the termination of a subcontractor shall not relieve Subcontractor of any of its responsibilities under the Agreement, nor be the basis for additional charges to the District.

37. **Personnel Removal:** Subcontractor agrees to remove immediately any of its subcontractors, employees, agents, or representatives from assignment to perform services under the Agreement upon receipt of a written request to do so from the District's contract representative or designee.
