SECTION 8. DISPUTES

If a dispute arises under the Contract that cannot be resolved by the parties, the dispute will be submitted to a three-member dispute board. Each party will appoint one member to the dispute board. The two members so appointed will jointly appoint the third member. The dispute board will review the facts, contract terms and law and make a determination of the dispute. Provided that both parties cooperate reasonably and in good faith, they agree to avail themselves of this dispute resolution process before resorting to litigation to resolve disputes.

SECTION 9. CHOICE OF LAW, JURISDICTION, AND VENUE

9.1 The Contract will be construed as having been made and delivered within the State of Washington and it is agreed by each party that the Contract will be governed by the laws of the State of Washington, both as to its interpretation and performance.

SECTION 10. MISCELLANEOUS

10.1 No Waiver. The parties agree that the excuse or forgiveness of performance or waiver of any provisions of the Contract does not constitute a waiver of such provision or future performance or prejudice the right of the waiving party to enforce any of the provisions of the Contract at a later time.

10.2 Tax Payments. District will pay all applicable federal, state and local taxes and fees, except those based on the income of the City of Poulsbo.

10.3 Legal Compliance. District and its subcontractors, employees, agents and representatives will comply with all applicable federal, state and local laws, rules and regulations in their performance under the Contract.

10.4 Severability. If a court of competent jurisdiction holds any provision of the Contract to be illegal, invalid or unenforceable, in whole or in part, the validity of the remaining provisions will not be affected, and the parties' rights and obligations will be construed and enforced as if the Contract did not contain the particular provision held to be invalid. If any provision of the Contract conflicts with any statutory provision of the State of Washington, the provision will be deemed inoperative to the extent of the conflict or modified to conform to statutory requirements.
