AGREEMENT KC-117-23

This Agreement is entered into between Kitsap County and the Kitsap Public Health District to provide monitoring and evaluation services for 2023 Mental Health, Chemical Dependency and Therapeutic Court Tax Programs.

I. Purpose

This Agreement is for the appropriation of $37,836 for the purpose of ensuring that the implementation and evaluation of the strategies and programs funded by the Mental Health, Chemical Dependency and Therapeutic Court Treatment Sales Tax are transparent, accountable and collaborative per RCW 82.14.460 for the time period January 1, 2023 – December 31, 2023. Funding must be used solely for the purpose of providing monitoring and evaluation of the operation or delivery of chemical dependency or mental health treatment programs and services and for the operation or delivery of therapeutic court programs and services.

II. Project Description

Kitsap County seeks to assure that citizens and policy makers spend the Treatment Sales tax funds collected in an accountable and transparent manner, with community input and support, and with measures to determine the effectiveness of these publicly-funded investments. Each funded program will be evaluated according to performance measures regarding cost effectiveness and the ability to attain stated goals. These programs shall achieve the following policy goals:

- Improve the health status and wellbeing of Kitsap County residents.
- Reduce the incident and severity of chemical dependency and/or mental health disorders in adults and youth.
- Reduce the number of chemically dependent and mentally ill youth and adults from initial or further criminal justice system involvement.
- Reduce the number of people in Kitsap County who cycle through our criminal justice systems, including jails and prisons.
- Reduce the number of people in Kitsap County who use costly interventions including hospitals, emergency rooms, and crisis services.
- Increase the number of stable housing options for chemically dependent and mentally ill residents of Kitsap County.

The Kitsap Public Health District will develop and measure specific performance outcomes to ensure funding is meeting proposed goals and those of Kitsap County's strategic plans. The Citizens Advisory Committee (CAC) will quarterly review performance outcomes, determine the success of funded proposals and achievement of County behavioral health goals. The CAC will submit an annual report to the BOC that lists programs funded, amounts allocated and expended, number of individuals served and performance outcomes along with recommended program and/or process changes based on the outcomes and evaluation data.
### III. Project Activities

The Kitsap Public Health District will be responsible for the following activities and be reimbursed at the following 2023 hourly rate per employee assigned to the project:
