

OVERDOSE AWARENESS TRAINING

Learn about **opioid usage and overdose** from Kitsap Public Health District professionals.

By becoming trained, you will help **respond to a serious health issue** impacting Kitsap County. Suspected opioid overdoses have increased locally every year since at least 2020.

Tuesday, March 19

6 p.m. to 7 p.m.

Norm Dicks Government Center Chambers

345 6th St., Bremerton

TOPICS COVERED DURING THIS TRAINING INCLUDE:

- Risk factors for an overdose
- Signs of an overdose
- How to respond to an overdose
- Fentanyl myth busting

Naloxone will be distributed as supplies allow.
