About the County Health Rankings & Roadmaps and Kitsap Core Public Health Indicators Report

About the County Health Rankings & Roadmaps
- [http://www.countyhealthrankings.org/](http://www.countyhealthrankings.org/)
- Developed by the Robert Wood Johnson Foundation and the University of Wisconsin Population Health Institute
- First released in 2010 for all U.S. counties, updates released annually but not comparable over time due to changes in definitions and sources
- Counties ranked within each state by indicators and section to allow comparison
- Data sources are national and must have data for almost all counties across the U.S.

- **Rankings & Roadmaps Contents:**
  - 35 indicators in 2 sections and 6 sub-sections:
    - Health Outcomes
      - Length of life and Quality of life
    - Health Factors
      - Health Behaviors, Clinical Care, Social and Economic Factors, Physical Environment

About the Kitsap Core Public Health Indicators
- Developed by Kitsap Public Health District to present an overview of the health of Kitsap
- Data are presented as rates and trend over time using national, state, and local data sources

- **Kitsap Core Public Health Indicator Contents:**
  - More than 90 indicators in five sections:
    - Demographic profile
    - Who are we?
    - How healthy are we?
    - How healthy are our lifestyles and behaviors?
    - How safe and healthy are our surroundings?
KPHD Indicators and County Health Ranking Comparisons

- **KPHD Indicators** are:
  - Generated from local, state and national data sources using current data
  - Rates and percentages with statistical trend over time and comparison to WA State

- **County Health Rankings** are:
  - Generated from national-level data sources
  - Ranks based on comparison to other counties in the state; statistical trend over time for some measures; comparison to WA State and top 10% of U.S. counties

**County Health Rankings and Kitsap Core Public Health Indicators both:**

- Raise awareness of community health
- Present a call to action
- Identify areas for more in-depth analysis
